## **GOLFWEEK MAGAZINE**

Welcome to *Golfweek's* annual Best. Each spring, we publish the three lists that are the foundation of our course-ratings program: *Golfweek's* Best Classic Courses, *Golfweek's* Best Modern Courses and *Golfweek's* Best Courses You Can Play.

The members of our course-ratings panel continually evaluate courses and rate them based on our 10 criteria. They also file a single, overall rating on each course.

Those overall ratings on each course are averaged together to produce a final rating for each course. Then each course is ranked against other courses in its state, or nationally, to produce the final rankings.

We hope you enjoy poring over these rankings, and we look forward to hearing your thoughts on this Best Courses You Can Play list:
